

Green Tye, Much Hadham, SG10 6JD

£3,000

Very large barn for rent in a secure and private location. This barn was built to meticulous standards to house a private collection of super cars. It is now available to rent and due to its construction lends itself perfectly to many uses. The unit is extremely secure and has a state of the art alarm system. It is climate controlled and fully insulated (floors, walls and ceiling) It has its own heating system to maintain required temperature throughout the winter. This ensures anything stored is kept in perfect condition without any risk of damp. It has also been kept immaculately clean and has a polished concrete floor making it dust free. it's very unusual to find this level of cleanliness in a rental unit! It is usefully fitted with its own WC and the whole building is finished with perfect attention to detail and is beautifully presented. Please contact us with any questions or to arrange a viewing.
