10 Paddock Close, Ryde, PO33 3FG

£595,000

Welcome to phase 2 of Paddock Close, a cluster of just 5 brand new detached homes nestled in to the peripheral countryside of Binstead village. Number 10 is a 3 bedroom, with one bedroom en suite, beautifully designed and arranged for modern living. It is currently under construction with an anticipated completion of Summer 2024. The home will come with the benefit of a 10 year LABC Build Warranty and a high energy efficiency rating helping to keep better control of on going running costs. The ground floor is cleverly designed to provide a generous open plan kitchen and dining space with a separate utility room. This flows into the comfortable twin aspect family living room overlooking the landscaped lawned gardens. Being a chalet style home there is an en suite bedroom on the ground floor and in this case a study or home office too. Upstairs and there are 2 further bedrooms to choose from with differing views of the pleasant rural surroundings. The family bathroom suite includes a bath and separate shower. The oversized garage at (20' x 12') sits to the side of the property accessed via the generous driveway.

Paddock Close is situated towards the south-westerly outskirts of the popular village of Binstead. This peaceful close is largely surrounded by farmland and open fields making for a particularly pleasant environment and outlook from these smart new homes. Cleverly designed, the houses are an attractive blend of the traditional and the contemporary. This peripheral location leaves you with easy access to the surrounding countryside via local footpaths and bridleways. It is a brief 5 minute drive to the village centre and its facilities. These include a village pub, recreation park, shop, post office and a major bus route connecting directly to other towns and villages. Binstead has its own natural beach and the Islands Coastal Path runs through this seaward side of the village ultimately circumnavigating the entire Island. Ryde Golf course is on the border where it merges with the adjoining principal town of Ryde and offers a pleasant traffic-free route down to the local beach.

Regular passenger crossings to the mainland are found along the Esplanade at Ryde and the car ferry crossing is found in nearby Fishbourne. Binstead has its own primary school and a senior school is found at the eastern edge where Ryde and the village merge. There is a local community centre and a football pitch home to both junior and senior Binstead teams.

Accommodation

Entrance Hall

Kitchen/Dining Room

19'2" max x 18'7" max (5.85m max x 5.67m max)
