Clifton Cottage 1 High Street, Ryde, PO33 2PN

£430,000

'Clifton Cottage' is a licensed House of Multiple Occupation (HMO). This detached building has 7 individual rooms, some of which are suitable for couple/two people. All rooms enjoy the use of shared facilities including a lounge, conservatory, garden, laundry room, kitchen, bathrooms and separate w.c's. When occupied the residents were charged rent at £85 per week per room plus a service charge of £40 per week for single occupancy and £60 per week for those who shared a room. Fully occupied rental income would be £30,940 plus the service charge designed to cover the costs of heating, maintenance etc. This charming grade 2 listed detached building is situated in the most convenient of positions being just off the High Street at Ryde and as such having all the retail shops and services on it's doorstep. The nearest bus route is literally yards away and the building sits adjacent to a car park and major supermarket. The interior of the property has been obviously well maintained by the current owners meaning the new owner/investor can fill the empty rooms as soon as the transaction is completed. The outside space is limited but offers patio areas a courtyard where residents can sit and there are two parking spaces to use. In our opinion this HMO is proficiently arranged and professionally organised ready for the new owner to take the reigns.
