£169,950

Situated within the very heart of central Ryde you will find this characterful semi detached house. The smooth rendered facade conceals surprisingly substantial 3 bedroom accommodation. The ground floor offers two comfortable reception rooms, a kitchen and a bathroom. Upstairs and there are three bedrooms with bedrooms two and three interconnecting. There would be scope to move the bathroom upstairs subject to alterations and requirements. The interior has been largely well maintained and now offers exciting potential to modernise and remodel, and in our opinion, well worthy of the effort and investment. Situated in the upper High Street at Ryde means you will enjoy nearby bus routes and easy access to the extensive range of retail shops and services which Ryde provides. Parking is available on street and the nearest train station is Ryde St John's. This is undeniably the ideal property for a real townie or someone moving from further afield to benefit from the convenience the position affords.
