2 Plovers Way, Bury St. Edmunds, Suffolk, IP33 2NJ

General Information

The house occupies a pleasant setting within an established residential area. There are a number of local amenities nearby including the beautiful Nowton Park. The town centre is around 2 miles away and can be easily reached by regular bus route, car, foot or cycle-way. Bury St Edmunds offers an extensive range of shopping, recreational and educational amenities. The A14 provides a fast route to Ipswich, Cambridge and London (via the M11)

As previously mentioned, the property offers a good range of accommodation but will require updating – making it something of a blank canvas. The house which is being sold with the benefit of having NO UPWARD CHAIN includes gas fired central heating and uPVC sealed unit glazing.

On the ground floor: An entrance porch leads into the entrance hall with cloakroom off. The sitting/dining room is of a very good size and has a door way leading into a uPVC conservatory. The kitchen provides ample storage and appliance space and has a door leading into the side lobby/utility.

On the first floor: A spacious landing area leads to all 4 bedrooms and the family bathroom.

In our opinion, the property would lend itself to further extension – if required and subject of course to consent. The garage is mostly integral and therefore could also lend itself to being converted to provide more reception accommodation.

Outside

The gardens to the front of the house are laid to lawn and include a driveway providing parking and access to the single garage. A side access leads to the enclosed rear gardens which are of a good size and afford a good degree of privacy. Laid extensively to lawn the gardens enjoy a sunny aspect and include a large lawn, a variety of mature shrubs and trees and a useful garden shed.

Council Tax Band D.
