General Information

The property occupies a pleasant cul de sac setting within Lakenheath, which is a large village with many amenities, including a Post Office, Doctors Surgery, Primary School, mini market, sports facility and a selection of smaller independent shops. The nearby market towns of Mildenhall and Brandon offer an even wider range of amenities.

The bungalow was constructed in 2003 and has been owned since new by the present owner – testament if needed as to what a lovely property it is to live in. It is worth noting that whilst the property is being sold with the benefit of having NO UPWARD CHAIN, it is subject to probate which has yet to be granted.

The entrance porch leads into a spacious entrance hall with a cloakroom off. The sitting room is of a generous size and includes a bay window and an opening into the separate dining room. The bungalow has been extended with the addition of a large conservatory which leads off the dining room and gives access to the enclosed gardens.

The kitchen provides an excellent range of fitted cupboards, worktop surfaces and appliance space. There is space for a breakfast table and an integrated double oven and hob. There is a useful utility room leading off the kitchen with further appliance space and another door opening into the rear gardens.

There are 3 very spacious bedrooms with bedrooms 1 and 2 both having fitted bedroom furniture. The master bedroom/bedroom 1 includes an en suite shower room and a walk-in wardrobe/dressing room. Bedroom 3 is currently being used as a study/music room but would be ideal for anyone working from home who needs a large home office. Finally, there is a separate family bathroom which has been converted to a shower room with a double shower enclosure. The property is served by uPVC glazing and a wet filled electric heating system with conventional radiators.

Outside

To the front of the bungalow is a large block paved driveway providing parking for a number of cars and giving access to the double garage with an electronically operated door and rear courtesy door. The rear gardens afford a good degree of privacy and have been hard landscaped for ease of maintenance.
