Energy Efficiency

As you will see from the EPC rating provided, great care has been taken by the current owners to ensure the property is almost as energy efficient as attainable. The property benefits from the installation of solar panels (which can be removed upon request if preferable) which further add to its energy efficiency and also make the running of the property more economical.

Location

Castle Donington is a vibrant village with a high standard of amenities including an array of independent shops, cafe's and restaurants. There is also a local post office, doctor's surgery, pharmacy and supermarkets. For the commuter, East Midlands airport, the Parkway Railway Station and the national motorway network are all readily accessible as are the centres of Nottingham, Derby and Leicester via the 24 hour running Skylink bus service.

Front Aspect

The property sits in a private location which is well secluded and set back from the road. The property is accessed via an expansive driveway which offers ample parking and also offers charming footpath accesses to the property and fore garden. The property also benefits from an additional parking space lower down the driveway.

The fore garden offers a delightful private lawn surrounded by well-established trees, access to the entrance of the property, to the useful garden shed and the extensive rear garden.

Garage
