

7 Highworth Close, High Wycombe, Bucks, HP13 7PJ

Situated in an extremely popular cul-de-sac in a quiet and secluded area, located to the North of High Wycombe, is this extended, four bedroom detached family home that sits on a generous and level plot and gives the new owner a real Countryside feel, whilst also retaining a central location to the town. This spacious and well proportioned home has been well maintained and cared for over the years by its current owners and offers a fantastic layout and superb feel to the house, as well as being perfectly situated for those looking to commute, with its proximity to the town centre and mainline railway which offers a direct service to London Marylebone. The accommodation includes; entrance porch, hallway, guest cloakroom, huge sitting room with featured fire place, dining room, family room, study fitted kitchen/breakfast room, four bedrooms and family bathroom. The property also benefits from; gas central heating, double glazing, large double width garage with spacious driveway with parking for multiple vehicles, secluded and level rear garden with patio area, various flower and shrub borders and side access. This truly is a superb family home and we anticipate this property to be in high demand and an early viewing is recommended to avoid disappointment. Although this property has already been extended, it would appear to lend itself to further expansion or garage conversion (subject to obtaining the relevant planning permission).
