THE PROPERTY

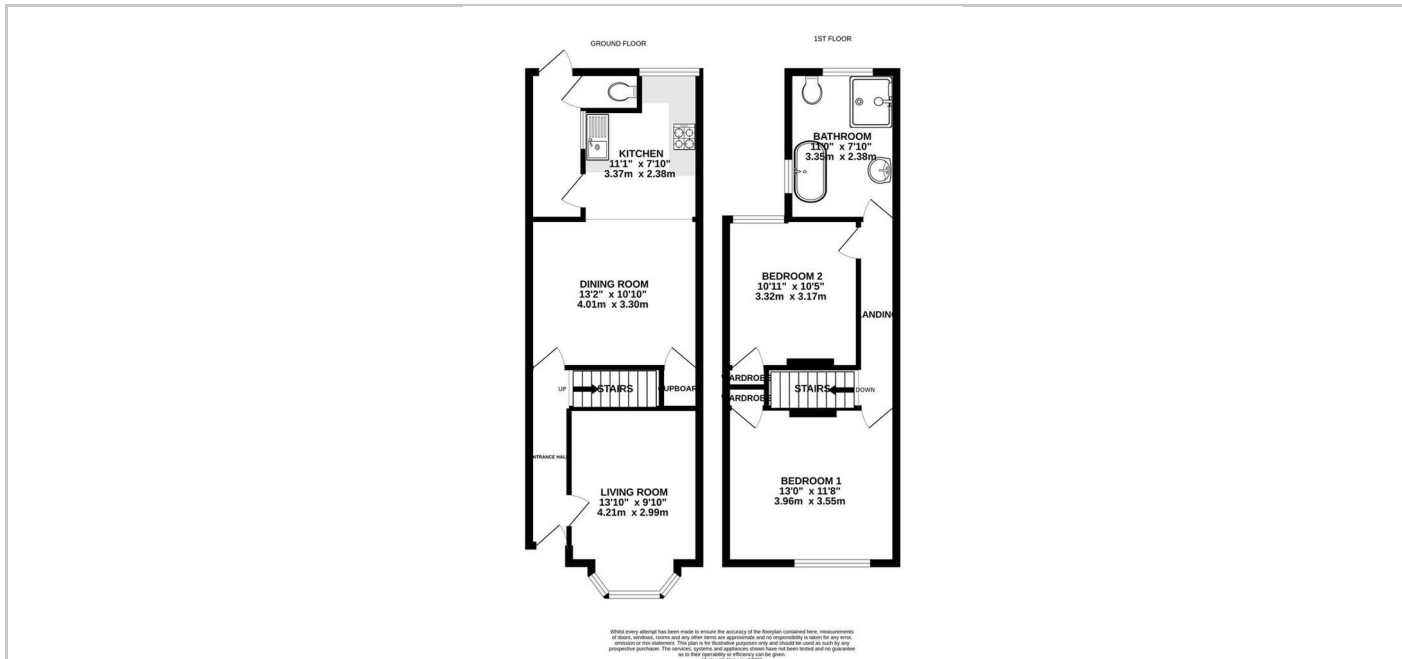

New to the rental market is this terraced property located in Bath Road Southsea. Within close proximity to the seafront and local shops, this two double bedroom terraced house could make for an ideal home for a working professional or small family. Upon entering the property there are two separate reception rooms off the hallway, plus a fitted kitchen and upstairs bathroom. The first floor then provides two double bedrooms and the family bathroom. An internal viewing is highly recommended, and we would urge to book as soon as possible.
