DESCRIPTION

This waterside development was constructed circa 2006 and designed by Foster & Partners in conjunction with Urban Splash. Environmental sustainability was at the heart of the project and combined with contemporary internal fittings alongside stunning architecture this high specification apartment represents stylish modern living in a highly popular location.

The position is ideal being just a short distance from the scenic waterways of the Bridgewater canal with a walking/cycling route combining charming sights with plentiful wildlife and the beautiful communal gardens are perfect for waterside picnics. The development is adjacent to the award winning town centre of Altrincham with its highly popular Market Hall that contains a variety of establishments including small independent retailers and informal dining options. Navigation Road Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways. In addition a short distance to the south is John Leigh park with tennis courts and recreation areas.

Originally constructed circa 1914 this second floor apartment is situated within the purpose built factory of Budenberg Gauge Co Ltd. and many industrial features are incorporated into the communal interior design of this historic building. The accommodation is unusually spacious and extends to approximately 670.6 sq ft (62.3 sq m) and has the added advantage of an allocated underground parking space.

Upon entering the feeling of quality is readily apparent and a private entrance hall has the benefit of adjacent storage plus access to an enclosed utility area. The exceptional open plan living space features bamboo flooring and there are far reaching tree lined views toward the spire of St Margarets Church. The contemporary fitted kitchen is separated by a glass partition and features a range of Smeg integrated appliances. The double bedroom has ample space for furniture and is served by a modern bathroom/WC with white suite and chrome fittings.

Central heating has been installed together with double glazing.

In conclusion, a superb contemporary apartment positioned within a stunning historic building and offered for sale with no onward chain.
