DESCRIPTION

Retaining much of its original character Inglewood was originally a mansion house which was re-planned and restored to create a small select group of individual apartments. The location must be regarded as one of the finest in the area containing mainly Victorian Mansions and the position is ideal being approximately ½ a mile distance from the shopping centre of Altrincham, with its highly popular Market Quarter that contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is also well placed for the surrounding network of motorways, places of worship and local schools.

The surroundings are enviable and this apartment benefits from views over the beautifully maintained mature tree lined grounds, importantly in a westerly direction to enjoy the afternoon and evening sun.

The duplex accommodation has been carefully arranged to include tasteful decor whilst maintaining features of the period combined with modern enhancements. The private entrance hall leads onto a sitting room with exceptional ceiling height and tall sash bay windows which provide delightful views across the gardens. The stunning dining kitchen has been refitted by the current owners with a range of Shaker style units complemented by quality marble effect acrylic work surfaces and a full range of integrated appliances. In addition, each of the double bedrooms are fitted with contemporary wardrobes and there is a luxurious fully tiled shower room/WC.

Gas fired central heating has been installed together with double glazing to the lower ground floor.

Externally there is resident parking areas plus communal storage facilities with direct access from the hall.
