POSTCODE: WA14 1NR

DESCRIPTION

This spacious Edwardian terraced house is positioned in a popular residential location approximately ¼ mile distance from the comprehensive shopping centre of Altrincham with its highly popular Market Hall which contains a variety of establishments including small independent retailers and informal dining options. The Metrolink station provides a commuter service into Manchester and the area is well placed for the surrounding network of motorways. The property also lies within the catchment area of highly regarded primary and secondary schools.

Typical of the era it is difficult to appreciate from the exterior the extent of the accommodation within. Much of the original character remains with tall ceilings, sash windows and decorative mouldings, complemented by modern enhancements such as gas fired central heating and PVCu double glazing.

The superbly presented accommodation is approached beyond a recessed porch with panelled hardwood front door leading onto the entrance hall with attractive tiled floor and access to each of the reception rooms. Toward the front there is an elegant sitting room with the focal point of a period fireplace surround flanked by bespoke fitted furniture. The adjacent family room provides adaptable living space and features a fireplace of intricate design enhanced by a decorative ceiling rose and wood flooring. The kitchen is fitted with Shaker style units alongside integrated appliances and there is an excellent dining area with French windows opening onto the delightful courtyard garden. Completing the ground floor is a well appointed cloakroom/WC.

At first floor level the primary bedroom is generously proportioned and there are two additional bedrooms served by the modern bathroom/WC with white suite and chrome fittings.

Externally permit parking is available and the private rear courtyard is ideal for entertaining during the summer months. In addition, there are well tended communal gardens laid mainly to lawn and shared by only eight surrounding residents.
