Entry to the property is into a vestibule which leads to the main hall. To the left is the bright lounge, with a front-facing window encapsulating views of the Ochil Hills. An electric fire is positioned as the focal point of the room. The dining room is a generous size with patio doors to the rear leading to the patio and rear garden. A serving hatch opens to the adjacent kitchen.

The kitchen is fitted with ample wall and base units with complementary worktops. Integrated appliances include a gas hob and oven. There is room for a breakfasting table to one side and the boiler is also located within the kitchen. From the kitchen, the back door opens to the sunroom, which showcases the stunning countryside views. The South facing back garden and patio can be accessed from the sunroom.

Bedroom 1 is located at the front of the property and has built-in wardrobes. Completing the ground floor is a modern shower room comprising shower cubicle, wash hand basin with vanity storage, WC and heated towel rail.

The first floor provides two double bedrooms, both with built-in wardrobes, and a WC.

Externally, to the front and rear there are garden grounds. The South facing garden is advantageously positioned within a corner plot with a single garage and driveway to one side. There is a polytunnel, greenhouse and garden shed which are included in the sale.
