WHAT OUR VENDOR LOVE ABOUT THEIR HOME

We fell in love with The Red House as soon as we walked in. We'd been looking for something "different" but we weren't sure what. When we found the Red House it ticked all our boxes, we love everything from the high ceilings to the outside space where we've enjoyed many a glass of wine looking over at Ilkley moor.

We've been very happy here the past 16 years and had expected it to be our forever home but unfortunately since my illness it's just not suitable for me anymore.

They'll be a few tears when we hand the keys over but we know it's time to move on and for someone else to enjoy it.
