Confidential Sale: A prime plot of land poised on the edge of the city, with planning approval expected anyday for the development of six modern two-bedroom bungalows, each spanning approximately 80 square metres. The envisioned bungalows promise contemporary living with amenities including two parking spaces per unit and private gardens. Representing an exceptional investment opportunity in a burgeoning locale, this property is ideal for developers or discerning investors keen on capitalizing on the city's growth trajectory. Detailed information available to qualified buyers upon request.
