

Cared for by our vendors and their family for over 100 years is this former post office which is now a wonderful family home full of character and potential to extend (STP).

You enter the home into a porch that opens into a generous hallway. A further door leads into the sitting room which is dual aspect with a fireplace to one side. Beyond the sitting is a separate dining room overlooking the garden which was once the former village post office. The kitchen has a range of modern eye and base level units with integrated appliances and a breakfast bar. A door opens out into the rear garden and into the separate utility room.

Off the large first floor landing is an airing cupboard, shower room, 3 bedrooms and bathroom. The master bedroom overlooks the garden with a view towards Dartmoor National Park beyond. This double bedroom has useful built in wardrobes. Bedroom 2 is another double bedroom with plenty of room for furniture. There is a great dressing area with a huge amount of built in storage that adjoins bedroom 3 enjoying a fantastic view. The family bathroom has been refitted in recent years with a matching 3 piece suite including a shower over the bath. Above the kitchen and behind the shower room is a void space which has 3 Velux windows, it has been insulated throughout and has a high ceiling. Subject to planning this void room could create a 4th double bedroom.

Off the parish road is a private driveway with a double garage leading off. Adjoining the cottage is a 2 storey stone barn with potential to create additional living accommodation (STP). There is also a detached single storey barn and former cooling house which is currently used as a workshop but has potential (STP) to be converted into an annexe. To the rear of the property, is a private lawn with a wonderful view towards Dartmoor. Beyond the lawn, is a large vegetable patch perfect for those with green fingers! In total the property sits in a plot circa 0.25 of an acre in total.
