GIBBINS RICHARDS 
Making home moves happen

A brilliantly flexible family home with an extended interior offering four bedrooms, two bathrooms, two kitchens and numerous reception rooms. The property presents itself with possibilities for dual living and / or annexe accommodation for a dependent relative. The property is further augmented by a good sized driveway with ample parking for numerous cars, a double garage, good sized rear garden with far reaching views across the Somerset Levels. There is also an additional area of paddock beyond the garden, which is ideal for those small holders with chickens, possibly some sheep and / or self sufficient gardening. Viewing is strongly advised.

Tenure: Freehold / Energy Rating: E / Council Tax Band: E

The property is approached via a driveway into a small entrance porch which then leads to an entrance hall. This leads to the original kitchen (currently used as a utility room) as well as a sitting room with log burner and a central dining room. Off the dining room is a garden room to the rear with double doors out to the garden. The hallway then leads to an inner hallway, which in turn leads to the main kitchen, open plan to a fabulous family room, approximately 17' x 18', also with double doors out to the garden and driveway. Upstairs are four double bedrooms, the master having an en-suite and there is also a family bathroom. Externally the property benefits from a good sized driveway, large double garage, log store and level lawned garden with far reaching views to the Somerset Levels. The property is located in a very popular village, between Taunton and Glastonbury, along the A361, thus giving good access to either direction. The property is further enhanced by solar panels and oil fired central heating.
