Outside:

The property is approached by a block paved driveway, there is a pathway leading to the front door and the side to access the rear garden. The rear garden has a patio area with space for seating. There are also two private parking spaces.

Agents Note:

As common with most new developments, there is a development annual service charge of an estimated £425.00 per annum, payable by each property owner, per property. This covers the upkeep and repair of any communal areas such as the park.

Gas is supplied via Calor Gas tanks located underground on site, the contract price we believe runs for each 2 year period.

Further details on the above upon viewing.

Further Note:

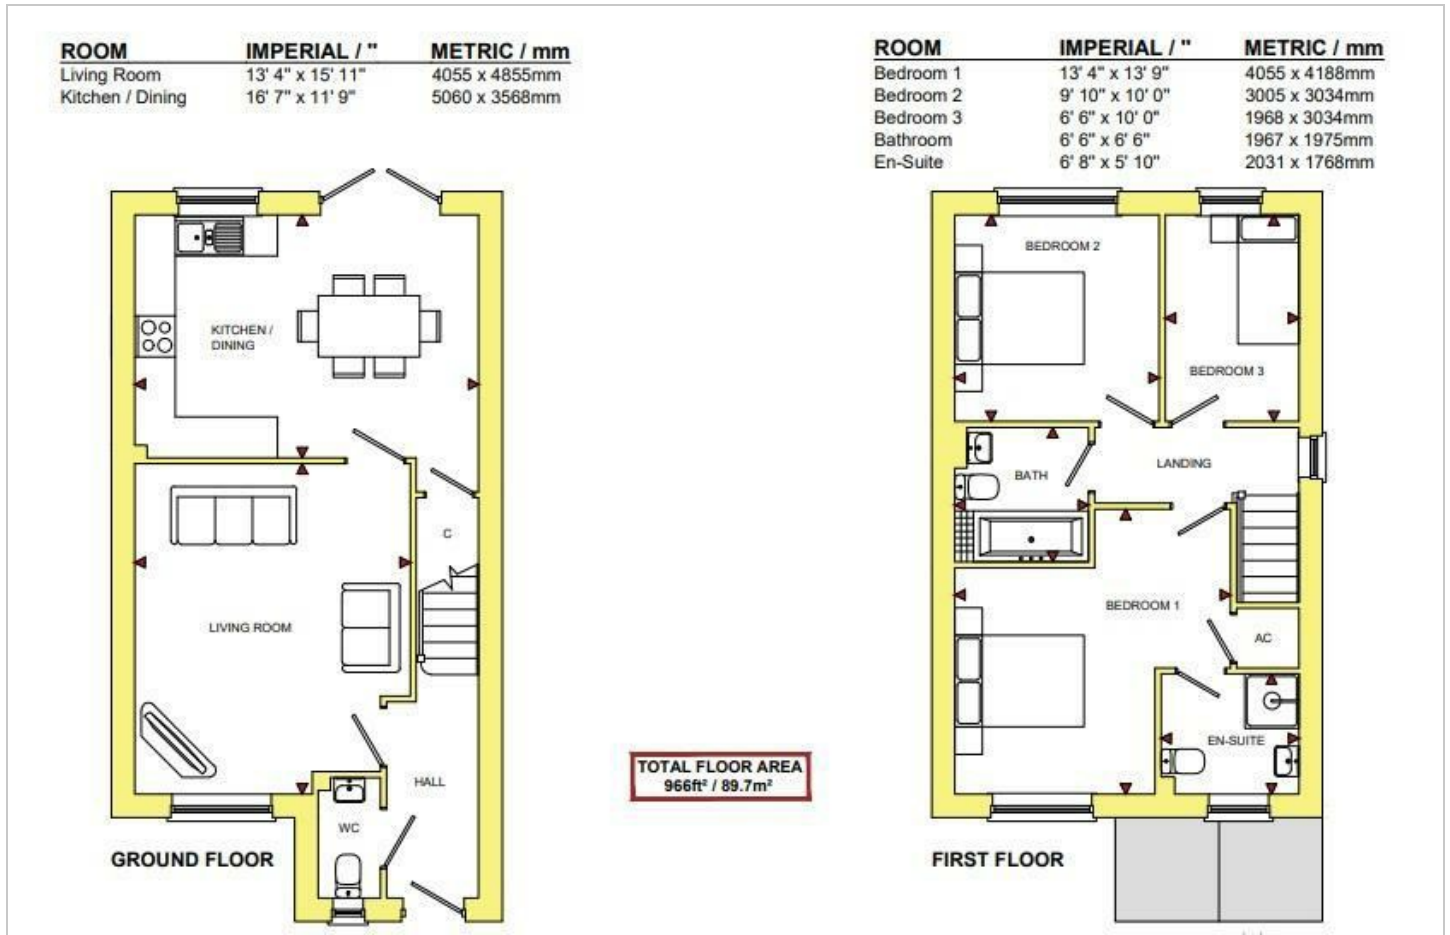

External photo is from plots 4 & 5, this is the same type and build as plot 23.

Internal photos are from the show home (plot 1) and do not represent the present image of the property.

Viewing

Please contact our Coleford Office on 01594 835751 if you wish to arrange a viewing appointment for this property or require further information.

Consumer Notes: Dean Estate Agents Ltd have prepared the information within this website/brochure with care and co-operation from the seller. It is intended to be indicative rather than definitive, without a guarantee of accuracy. Before you act upon any information provided, we request that you satisfy yourself about the completeness, accuracy, reliability, suitability or availability with respect to the website or the information, products, services, or related graphics contained on the website for any purpose. These details do not constitute any part of any Offer, Contract or Tenancy Agreement.

Photographs used for advertising purposes may not necessarily be the most recent photographs, although every effort is made to update photographs at the earliest opportunity. Any reliance you place on such information is therefore strictly at your own risk. All photographic images are under the ownership of Dean Estate Agents Ltd and therefore Dean Estate Agents retain the copyright. You must obtain permission from the owner of the images to reproduce them.

Tenanted Properties – we are not always able to show the most recent condition of a property due to tenants' privacy and we may choose to show the photographs of the property when it was last vacant to at least allow clients some idea of the internal condition. Therefore, we would of course, urge you to view before making any decisions to purchase or rent the property and before any costs.

Energy Performance Certificates are supplied to us via a third party and we do not accept responsibility for the content within such reports.

PRC Certificates – Some ex-local authority properties have been repaired in recent years using the PRC Scheme wherein a certificate has been produced by a qualified property engineer. This certificate does not imply the suitability for a mortgage approval and you must satisfy yourself of the work carried out that may meet your lenders criteria.

As with leasehold property or new build development sites, you are likely to be responsible for a contribution to management charges and/or ground rent or a contribution to the development service charge. Please enquire at the time of viewing.

You may also incur fees for items such as leasehold packs and, in addition, you will also need to check the remaining length of any lease before you complete a mortgage application form.

Please ask a member of our team for any help required before committing to purchase a property and incurring expense.
