Located in a central location in the heart of Peel, the town house offers spacious accommodation over 3 floors. Traditional in its layout the house has a light and airy reception space which leads back to a traditional breakfast room and modern Kitchen. On the first floor there are 2 former bedrooms which have been combined to make a large bedroom suite, a single bedroom ideal for a potential home office and at the rear there is a spacious family bathroom. On the second floor there are 3 further bedrooms and access into the attic.

Outside there is a small rear yard with outhouse. The property is conveniently located and within walking distance to schools, shops, promenade and beach. The amount of remedial work and modernisation would be suited to cash buyers.
