Description

This impressive, contemporary styled luxury apartment boasting two double bedrooms and open plan living space, forms part of an exclusive gated development which was converted from a historical industrial building on the outskirts of the market town of Boroughbridge. The building having been a former brewery and dating back to the late 1800's was converted in 2002, and with video entry system, the building is accessed via a central communal lobby and lift access to the first floor. The apartment itself has hard wood double glazing throughout and opens to a spacious reception hall with useful utility/storage cupboard. Branching off is a stylish fully tiled shower room and an open plan living space with feature exposed rustic brick wall, double doors opening to a small balcony and modern fitted kitchen which boasts integral appliances including double dishwasher and ceramic hob. Satellite and DAB connections are available in the living room and both double bedrooms, the master having a large en-suite bathroom with bathtub and separate shower enclosure. The apartment has an allocated parking space.
