LOCATION

Rarely do opportunities such as this arise in Sutton On The Forest, a pretty former estate village which is still dominated by Sutton Hall at its centre. Many of the houses date from the 1700s and front the wide village street and grassed greens. The village has a reputable primary school and bus service with more extensive facilities available within the Georgian market town of Easingwold some 4.5 miles away. Sutton on the Forest has long been regarded as a particularly sought after village location. Strensall is only a short distance away, providing access to shops and supermarkets, while Monks Cross and the Vanguard Shopping Park offer a wider range of options. York City Centre is less than 10 miles South with its mainline railway station offers regular services to major cities including Manchester, Edinburgh and London with some journeys taking less than two hours to Kings Cross.
