

| Energy Efficiency Rating                    |           |
|---------------------------------------------|-----------|
| Current                                     | Potential |
| Very energy efficient - lower running costs |           |
| (92 plus) A                                 |           |
| (81-91) B                                   |           |
| (69-80) C                                   | 73        |
| (55-68) D                                   | 78        |
| (39-54) E                                   |           |
| (21-38) F                                   |           |
| (1-20) G                                    |           |

| Environmental Impact (CO <sub>2</sub> ) Rating                  |           |
|-----------------------------------------------------------------|-----------|
| Current                                                         | Potential |
| Very environmentally friendly - lower CO <sub>2</sub> emissions |           |
| (92 plus) A                                                     |           |
| (81-91) B                                                       |           |
| (69-80) C                                                       | 76        |
| (55-68) D                                                       | 83        |
| (39-54) E                                                       |           |
| (21-38) F                                                       |           |
| (1-20) G                                                        |           |

### Stanley Avenue, HAO 4LB

Access to own loft with the potential to extend, subject to the usual consents... immaculate, generously proportioned one bedroom second (top) floor apartment. Set in this well maintained low rise purpose built block, which was constructed 29 years ago, entered via security entry-phone system. Wrap-around beautifully presented communal gardens, patio walkways, and allocated off-street parking space as well as visitors parking. Just a few minutes walk from Ealing Road, Alperton Station and several bus route connections nearby.

The property boasts over 450sq ft of living space with timber style flooring, entrance hall with a range of storage cupboards, fitted wardrobes in double bedroom, bright reception room into bay window and cornicing, separate kitchen, modern partly tiled bathroom combined W.C and heated by the way of gas central heating.

### Anne Carver Lodge, Stanley Avenue, HAO 4LB

Approx. Gross Internal Area = 449 sq ft / 41.7 sq m
