New Hill Farm represents the opportunity not so much to acquire a single property but rather to purchase and embrace a lifestyle opportunity.

The present owners have lovingly, skillfully and sympathetically restored the existing farmhouse to create a manageable, efficient and comfortable family home whilst at the same time seizing the opportunity to rebuild a stone barn to create The Ryeland Barn which has proved unexpectedly to be a run away success for holiday letting!

New Hill Farm is offered for sale within approximately six acres including a very substantial well maintained barn, separate garage and workshop block, range of stables/loose boxes and field shelters with the benefit of extensive hard standing for vehicles, mains gas to New Hill Farm itself and propane gas serving the gas central heating system for The Ryeland Barn.

The location of this property really could not be better. It is easily accessible from the main A52 Cellarhead/Ashbourne Road, enjoys extensive views, a south facing garden and is conveniently close to Stoke on Trent and access to the M6. Do please visit The Ryeland website which also clearly shows the wealth of leisure and cultural opportunities which are also close at hand - [www.theryelandbarn.co.uk](http://www.theryelandbarn.co.uk)

We consider this to be an exceptional desirable property and a very rare opportunity. For more information call or e-mail us.
