Extensive alterations and extension to this semi-detached house have totally transformed the property so it offers unrivalled accommodation in a prime location!

On the ground floor, an extension has created an impressive shower room and bedroom four with double glazed patio doors which open out into the garden. This area is eminently suitable for occupation by a dependent relative or teenager in mind and in addition there is a very spacious lounge and dining room which extends from the front to the rear of the property and a well equipped fitted kitchen.

On the first floor, the property has three bedrooms and a modern shower room. Heating is from a gas combi boiler with electric radiators to the ground floor extension.

Externally this house is unusual in that it offers extensive parking space ideally suitable for anyone with a caravan/motorhome or several cars and the sun trap rear garden faces a south-south-westerly direction.
