AN EXCEPTIONAL BUNGALOW!

Totally modernized and refurbished by the present owners just over four years ago and now a truly exceptional property which has everything you could possibly wish for in a bungalow.

A new central heating system was installed when the property was refurbished and it benefits from a spacious lounge as well as a large south facing conservatory at the rear. There's also an impressive modern fully fitted kitchen with a range of integrated appliances and an attractive and practical bathroom combined with wet room together with a spa bath. The property also has two bedrooms and is within just a few minutes walk of local shops and facilities stop.

Finally, an unusual and particularly appealing feature of the property is the fact that there is space at the front to park a large caravan as well as at least two cars.
