A DETACHED HOUSE WITH SCOPE TO EXTEND!

This is a very fine detached house and it features two reception rooms, an extremely well fitted kitchen and the benefit of a ground floor cloakroom/wc. On the first floor the bathroom features a bath as well as a separate walk in shower and there are also two double bedrooms and one single.

The owner of this property tells us around 15 years ago planning permission was granted to build a two storey extension onto this property to create a five bedroom house... and though that planning permission has now lapsed some buyers may wish to look at extension possibilities again in the future.

See our online virtual tour and for more information call or e-mail us.
