WHY SHOULD YOU LIVE HERE?

What our vendor says about their property:
"The thing I love most about our home is that it is unique with a characterful appearance and it reveals surprises you don't expect from the curb. Morning coffee on the balcony, sets a chilled out feeling to the day; seeing the sun rise, listening to the bird song and admiring our garden, as well as the fields and houses on the skyline of the hillside. It's just as pleasant on a warm evening to sit with a glass of wine, looking at the stars and lights of Ossett! The privacy offered in the walled garden, means summer in the hot tub on the patio is a regular feature. It's also a secure place for dogs, children young and old to play safely. There is a wide variety of mature shrubs and sequential bulbs, which appear year after year. Great selection of rose bushes, which flower for several months in the front garden. The Log cabin was installed in 2017 as a home office and is spacious enough for a guest bed/sofa, fridge, mini oven and a drinks making facility. Perfect for entertaining. Ideal for a garden bar, hobby room or running your social media business from. Two large reception rooms means guests can gravitate to the conversation they want to enjoy [music playing in one room and sport in the other]. Lovely family home with enough space to enjoy alone time when you need it."
