- Planning Permission for demolition and new build
- 5 Local Occupancy Dwellings
- Planning reference E/02/7A
- Village Location close to Appleby and Kirkby Stephen
- Yorkshire Dales National Park

Description

** Wonderful development site for 5 Local Occupancy Dwellings in the heart of the Yorkshire Dales National Park **

This is a great opportunity for those looking to build a small development of 5 homes in the village of Crosby Garrett, around 8 miles from the market town of Appleby with elevated open countryside views and an active village community. The Yorkshire Dales National Park Planning Authority have granted planning permission for 5 Local Occupancy dwellings. Four of these are 4 bedroomed properties with one being a 3 Bedroom dwelling. The properties are to be roofed in natural blue/grey slate, with the walls to be finished in local natural stone. The properties will boast views over the rolling hills towards the Yorkshire Dales National Park. There is a Local Occupancy restriction imposed on the development, further details are available on the Yorkshire Dales planning portal using reference E02/07A. The planning conditions have been discharged so this planning permission will not expire. Crosby Garrett is a hamlet and civil parish in the Eden District of Cumbria, England. It was formerly in the county of Westmorland and sits overlooking the stunning Lune Valley with beautiful views all around.
