## Description

Found in a rural yet accessible location on the edge of the pretty village of Curthwaite is this substantial four/five bedroom detached home with a double garage and an incredible workshop, sitting in a plot of around ¾ acre enjoying superb views across its own gardens towards open countryside. This is a wonderful lifestyle opportunity for those looking to work from home, looking for a large outbuilding or for further development into ancillary accommodation, subject to the relevant planning consents. There is an approx. 4 Acre field available via separate negotiation if you have an equestrian, small holding interest. The opportunities are endless.

Built by the current owners in 1984, there is around 1800 sq.ft of living accommodation in the main house with generous proportions and spacious rooms throughout. All of the rooms are light-filled and enjoy lovely views across the gardens to the front and rear.

Internally there is a large lounge opening into the conservatory, fitted Thwaite kitchen, dining room with feature circular window, study/bedroom5, utility room and separate WC. On the first floor there are four spacious double bedrooms with the master having an en-suite shower room and fitted wardrobes and one bedroom with a large storage space/dressing area. In addition to this there is a modern family bathroom and a separate shower room. All the windows to the rear perfectly frame the outstanding countryside views!

Externally to the side there is a significant size, detached workshop housing a double garage to the front and on the rear lower level, a double height space that is ideal for a host of flexible options i.e. separate working from home space, vehicle maintenance, storage space or for conversion into ancillary accommodation (STP). To the rear there are large gardens mainly laid to lawn bordered with established fruit trees and shrubs, greenhouse and a number of terraces to enjoy the south facing gardens. To the front, there is a sweepin
